This is a beautiful book done with photos, maps and more from National Geographic! Lots of study questions and activities to involve students in what they're reading. Actually contains enough information to teach 2 years (suggested 7th and 8th grades). Bought a 'used' book that was in excellent shape but this book is even worth the 'new' price.

effective, active citizen. It also encourages an appreciation for the American political system and fosters a willingness to take part in American democracy. Two economics units provide an understanding of the interrelationship between democracy and the free enterprise system.

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a

popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about
