It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it 's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn ' t just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here ' s what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren ' t created to live busy and burnt out, unhappy and unfulfilled. You shouldn ' t be haunted by some elusive idea of balancing it all. There ' s more for you right now. Today. And it starts with taking back your time the guilt-free way.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

If you ' re looking for practical information to answer all your “ How? ” “ What? ” and “ Why? ” questions about money, this book is for you. Dave Ramsey ' s *Complete Guide to Money* covers the A to Z of Dave ' s money teaching, including how to budget, save, dump

debt, and invest. You ' ll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all giving. This is the handbook of Financial Peace University. If you ' ve already been through Dave ' s nine-week class, you won ' t find much new information in this book. This book collects a lot of what he ' s been teaching in FPU classes for 20 years, so if you ' ve been through class, you ' ve already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us the Baby Steps haven ' t changed a bit. So if you ' ve already memorized everything Dave ' s ever said about money, you probably don ' t need this book. But if you ' re new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That ' s when he set out to learn God ' s ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . .

- *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth
- *Learn how to bust through the barriers preventing them from becoming a millionaire
- *Hear true stories from ordinary people who dug themselves out of debt and built wealth
- *Discover how anyone can become a millionaire, especially you

Baby Steps Millionaires isn ' t a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only

for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Right now, 70% of Americans aren't passionate about their work and are desperately

longing for meaning and purpose. They 're sick of " average " and know there 's something better out there, but they just don 't know how to reach it. One basic principle The Proximity Principle can change everything you thought you knew about pursuing a career you love. In his latest book, The Proximity Principle, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you 've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You 'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading The Proximity Principle, you 'll know how to connect with the right people and put yourself in the right places, so opportunities will come and you 'll be prepared to take them.

Imagine Clearing All Your Debts... How does that feel? What if it's only seven baby steps to follow in order to achieve financial stability? people in the right way.

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel

Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast
