Do the terms collateralized mortgage obligation, subordinated debenture, and pass-through certificate give you a headache? Do you need to take the Series 6 exam? If you can answer yes to both of these questions, then you've come to the right place. Robert Walker, a professional trainer who specializes in the NASD/NASAA Series 6, 63, 65/66, and 7 exams, has written this book for those who are about to brave the Series 6 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor. This must-have book guides you through the intricacies of the Series 6 exam. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions. Pass the 6 includes two complete 100-question practice finals, a handy glossary, a final checklist/studysheet, and even a bonus section on trusts, estates, and gifts, along with its own set of questions. Plus you'll find that Robert directs you to his web site, where he offers updates, downloads, and other helpful information. Once you've finished this book, you will be able to take the test with confidence!

The go-to guide to acing the Series 63 Exam! Passing the Uniform Securities Agent State Law Examination (Series 63) qualifies an individual to act as a securities agent. The exam covers the principles of state securities regulation as reflected in the Uniform Securities Act and its amendments and related rules, as well as ethical practices and fiduciary obligations. Many states require an agent to pass the Series 63 exam in addition to the Series 6, 7 or 62 exams to conduct securities business within the state. Created by the experts at The Securities Institute of America, Inc., Wiley Series 63 Exam Review 2019 arms you with everything you need to pass this challenging 60-question test. Designed to help you build and fine-tune your knowledge of all areas covered in the exam and to guarantee that you're prepared mentally and strategically to take the test, it provides: Dozens of examples Assorted practice questions for each subject area covered in the exam Priceless test-taking tips and strategies Helpful hints on how to study for the test, manage stress, and stay focused Wiley Series 63 Exam Review 2019 is your ticket to passing the Series 63 test on the first try!with flying colors!

The fast and easy way to score high at exam time Series 7 Exam For Dummies, Premier Edition includes all the help you need to pass your Series 7 exam and to reach your goal of being a stockbroker and selling securities. But the road to stock broker success isn't easy. First, you must first pass the Series 7 exam!a 6-hour, 250-question monstrosity. Unlike many standardized tests, the Series 7 exam is harder than it seems. Luckily, there's Series 7 Exam For Dummies Premier!the perfect guide that not only shows you how to think like a financial advisor but also like the test designers. This Premier Edition of our Series 7 test guide includes 4 full-length practice exams (2 more than our standard edition). Rather than an all-encompassing, comprehensive textbook, this guide covers only what's on the test, offering formulas, tips, and basic info you need to study. It empowers you with the ability to think each problem through and get to the bottom of what's being asked, providing you with everything you need and want to know. Distribution of profits Types of securities offerings Investing in all types of stock Bond types, prices, yields, and risks Handling margin accounts Characteristics of different investment companies Direct Participation Programs and other types of partnerships Option selling, buying, and trading Security analysis and security markets Whether you're preparing to take the test for the first time or the fourth time, Series 7 For Dummies is the book for you! CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

Do the terms hypothecation, diluted earnings, and inverted yield curve give you a headache? Do you need to take the Series 65 exam? If you can answer yes to both of these questions, then you've come to the right place. Robert Walker, a professional trainer who specializes in the NASD/NASAA Series 63, 65/66, 6, and 7 exams, has written this book for those who are about to brave the Series 65 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor. This must-have book guides you through the intricacies of the Series 65 exam. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions. In addition to practice questions liberally sprinkled throughout its lessons, Pass the 65 includes three complete 135-question practice finals as well as study sheets summarizing each lesson and a handy glossary. Plus you'll find that Robert directs you to his web site, where he offers updates, downloads, more practice finals, and other helpful information. Once you've finished this book, you will be able to take the test with confidence!

Trying to pass your Series 65 Exam? Pass The 65 is written with the reader always in mind. This Series 65 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the NASAA Series 65 exam outline point-by-point. Notice that there are four chapters in our study material, which correspond to the four sections of the NASAA Series 65 Exam outline. We try to keep things as easy as possible in our study guides because the exam itself is anything but. To reduce your frustration in obtaining your Series 65 license, we try to make sure each sample question in our Pass The 65 Online Practice Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 65 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved. Remember that the Series 65 license exam is not a memorization test but, rather, a "competency exam," as NASAA explains in their exam FAQ. Too many Series 65 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when, in fact, passing your test requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 65 exam study guide to a higher level by presenting you with well over 1,000 challenging questions in our test bank. However, our sample questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 65 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 65 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations

that follow. For an extra edge, try writing your own variations of practice questions in this same notebook, something our tutoring clients have found extremely helpful. Pass the 65(c) is your guide to a passing score on the Series 65 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the NASAA outline. Rather, we skimp on the filler found in many of the more tedious license exam manuals on the market. To give yourself an edge on this difficult license exam buy this book and then go to www.examzone.com to purchase the practice questions and other Series 65 study materials. This test is not easy. The best time to get started is . . . now."
