Did you learn good money lessons as a child? Are there things you wish you had understood about money before growing up? Teaching your children about money is an excellent gift because it will last a lifetime. Kevin, the Money Master is a fun way to start your child down the road to financial literacy.

Kevin O'Leary shares invaluable secrets on entrepreneurship, business, money and life. Can you make millions just by "visualizing yourself rich" as some business prophets suggest? Don't buy it, says Kevin O'Leary. If you want to be a successful entrepreneur and amass wealth, you're going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O'Leary would know. The much-feared and revered Dragon on the immensely popular show Dragons' Den (and Shark Tank in the U.S.) started his company in his basement with a \$10,000 loan from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge.

The star of ABC's Shark Tank presents a foolproof financial guide that will help readers make solid financial decisions at any age or stage of life. 75,000 first printing.

Starting Point: How to Build Wealth That Lasts is the premier guide to building personal wealth. Kevin L. Matthews II lays out a clear path for average Americans to build wealth in a simple, clear way. Heavily researched and humbly written from the perspective of a first generation college graduate turned educator, this wealth guide also addresses common social issues and barriers that block most people from building wealth. Starting Point will shed light on the lives of the wealthy in the United States while unveiling a step-by-step process by which anyone, regardless of salary, can follow. This book is perfect for college graduates, new parents or anyone ready to establish a strong financial future.

Examines how cost is determined in goods, what happens to money once it is used to buy something, and the basics of credit.

Kevin Canty is a master of the short story, a writer whose work has been compared to that of Flannery O'Connor and Raymond Carver, but always with the understanding that Canty's is strikingly new, cool, and real. Now in Honeymoon, after two novels, Kevin Canty returns to short fiction, his first collection since his debut A Stranger in this World, a book that was hailed as "Superb: These tautly structured stories breathe with sharp, distilled intelligence." Honeymoon is a book about love, about lovers and

would-be lovers exploring unlikely alliances, all of them toeing a certain eventful edge, a decision between rational restraint and something altogether different. In the title story, a man leaves his lover's wedding with the bride's ex-girlfriend; in "Flipper" a young escapee from "fat camp" discovers a different kind of hunger while enjoying a pregnant teen's gifts of forbidden chocolate; in "Aquarium," a thirty-eight-year old woman who claims to "follow the straight and narrow" tries to resist seducing her fifteen-year-old nephew again. Revealing the hidden longings and quirky needs of both men and women with a tough sensitivity and deep, sometimes biting humor, Honeymoon presents a masterful writer purely at home in his form, yet continuing to push himself and his stories to their limits with enthusiasm and daring.

Unleash Your Team ' s Potential to Succeed Today ' s workplace has evolved. Yet the strategies to empower employees and teams are still maturing. Getting the Job Done fills this gap by providing a practical framework to inspire teams and keep them accountable for ultimate success. Rather than impose a single method to make you a better project manager, Getting the Job Done gives a flexible strategy that will help you lead confidently, take advantage of all the perspectives on your team, and get the job done on time without having to sacrifice quality. Conveyed through 100 educational, factual, and relatable project management tips, T2 ' s framework will keep your team engaged, responsible, and transparent. Through our " getting the job done " philosophy—the key to how we ' ve led healthcare tech consulting for over fifteen years—you will master the building blocks of effective project management, as outlined by our acronym P.R.O.J.E.C.T.S: Planning Reflection Organization Juggling Empowerment Communication Teamwork Standards With the compact analysis of each block, followed by clear bite-sized tips, and concluding with T2 ' s case studies, you and your team will discover and create a new culture that can be used in both life and business. Elevate your team and organization ' s capabilities and discover how projects can turn from overwhelming undertakings into successful collaborations.

Game Plan is the first "how to" investment handbook of its type. It will explain the emerging risks and provide a complete game plan of response for investors at all levels. Freeman will explain that there is no "one size fits all" solution as events are happening quickly and the challenges can morph suddenly. Just as a football team must plan for a variety of offensive strategies and attacks, investors must be prepared to strategically adjust. This book provides the game plan to respond and succeed. In Game Plan you'll learn... The proper use of gold in your investment strategy How stocks should be deployed in your investment portfolio The smart way to diversify your portfolio How to decrease your bond holding vulnerability How to judge a guarantor in guaranteed investments How to avoid falling into the marketing hype for Hedge Fund scams How to find a properly trained investment advisor How to advance wealth at the individual level How to win the global economic war

The visionary author ' s masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.
