Message Bank Call Back If you'd like to use our Message Bank make call back services after 13 October, simply SMS +61101. I think it's because the #101# USSD code is being retired along with the other USSD codes - replacement is to SMS +61101 instead. #101# triggers the call back currently. Found this from waaay back in October 2009 :-)

Message Bank 101 - Telstra Crowdsupport - 880934

Without our intentional intervention, unanswered calls are now diverted to what I presume is the 101 service - the recorded message says "You have reached the message bank of 03 94etc . Please leave a message after the tone" But when we call 101 we are welcomed as a new user to Telstra Message Bank and asked to follow the steps to set up the service.
