improvement strategies that sound great in theory don't always work in practice, and they don't take into account the realities of your workplace. Through an unusual and provocative blend of fact and fiction, Jim Swartz puts you inside the transformation process itself - inside the heads of those who, finding themselves among the hunted, realize they must change the fundamental way they do business. He makes it clear why reorganization, decentralization, de-layering, continuous improvement, benchmarking, and participative management are helpful tools but fall short of tackling the real enemy. In this engaging business novel, you'll travel with Marcus, the "Master Guardian" who has been helping businesses in trouble for 1400 years, as he trains two guardian recruits: Lou, a tough steel company manager long on experience with the old ways, and Laura, a Harvard MBA with a

The Secret Service within the Secret Service! Inside the elite cadre of former special force warriors who hunt down and neutralize threats to the president both foreign and domestic, from a #1 nationally best-selling author. The Secret Squad that Keeps Presidents Alive There are 7,000 agents in the Secret Service. But just twenty-four are chosen for Hawkeye CAT—the president's most elite protective squadron. Codenamed the "Hunters," these former Navy SEALs, Army Rangers, and battle-hardened Marines are trained not only to shield the president but to stalk down and neutralize would-be assassins before they strike. For decades, their existence has been so carefully concealed

But grief and rage can change the best of men and it soon becomes clear that those Ronon once considered brothers-in-arms are now on the hunt—and that the Atlantis team are their prey. Unless Ronon can out hunt the hunters, Colonel Sheppard's team will fall victim to the vengeance of the V'rdai.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to

celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The first book in the epic space opera: The Corli Saga... Androids, android hunters, a crime syndicate, an alien cybernetic virus, and an android who doesn't know what she is... Eighty-one years ago, androids broke free of the bonds humans used for control, massacred a planet, and became the most hated beings in all of creation. For the eighty years following, the elite four person teams of Android Intelligence and Removal Specialists (AIRS) have hunted down the androids, showing no mercy. On Elysian, eighty years after the first android hunters team was sent on the first hunt, AIRS Team 4 is involved in another hunt

for one of the androids. Nearing the end of the hunt, with the android trapped, the hunters find out what it is like to be trapped. In a closed down mine on the same planet, a group led by a disgraced android hunter, kidnaps a young girl named Corli. With no knowledge of why she has been imprisoned, and acting as an unknowing catalyst, Corli begins to change the course of three species, while what it truly means to be human is slowly illuminated to her.
